

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF LOUISVILLE)	CASE NO. 10064-C
GAS AND ELECTRIC COMPANY)	

O R D E R

On July 1, 1988, the Commission issued its Order in Case No. 10064 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On December 28, 1988, Louisville Gas and Electric Company ("LG&E") filed its quarterly gas cost adjustment which is to become effective February 1, 1989 and is to remain in effect through April 30, 1989.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) LG&E's notice of December 28, 1988 set out certain revisions in rates which LG&E proposed to place into effect, said rates being designed to pass on the wholesale increase in gas costs from its supplier in the amount of 1.538 cents per 100 cubic feet.

(2) LG&E's notice set out a refund factor of .005 cents, a decrease of .005 cents per 100 cubic feet.

(3) LG&E proposed an actual adjustment of .003 cents per 100 cubic feet, an increase of .194 cents per 100 cubic feet.

(4) LG&E proposed a balance adjustment in the amount of .030 cents per 100 cubic feet, an increase of .032 cents per 100 cubic feet.

(5) LG&E proposed a total gas supply cost component of 29.877 cents per 100 cubic feet, an increase of 1.759 cents per 100 cubic feet. This increase represents the combined effect of the supplier increase, actual, balance and refund adjustments.

(6) The adjustment in rates set out in the Appendix to this Order, determined under the GSCA provisions approved by the Commission in Case No. 10064 dated July 1, 1988, is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after February 1, 1989.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix, attached and incorporated hereto, are fair, just, and reasonable and are approved effective with gas supplied on and after February 1, 1989.

(2) Within 30 days from the date of this Order, LG&E shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 26th day of January, 1989.
